PAWS Exceptions and Improvements

Applies to: Pilot Users

In addition to various improvements, we have now added exceptions functionality into PAWS within the *Settings* tab on the Desktop view:

Observation

PAWS,

Born 05-MarGenderNHS No.

ObservationsTableChartSettingsAudit

Changes below will not be applied to subsequent Observations, until they are submitted by clicking Save.

Observation Frequency

Use Graded StrategyOverride Graded StrategySuspend Observations

Clinical Note Subject Line

Applies to: All Users

We have added the ability to enter in a *Subject Line* to a *Clinical Note*:

The screenshot shows a 'Clinical Note' form. At the top, a purple header bar contains patient information: 'TEST, Beryl', 'Born 12-Dec-1970 (48y)', 'Gender Female', and 'NHS number'. Below this, a white bar shows the 'Address' as 'Leed General Infirma, LS1 3EX' and a 'PAS number' field. The main form area is titled 'Clinical Note' and contains several input fields: 'Author' (ROBINSON, Stuart (Mr)), 'Date Of Activity' (16/07/2019), 'Time Of Activity' (16:06), 'Profession' (Nursing), 'Specialty' (Art Therapy), and 'Type of note' (Discussion with family/others). A 'Subject Line' field is present with the placeholder text 'Example Subject Line'. Below this is a 'Notes' section with a rich text editor containing the text 'Clinical Note.' and a note stating 'This entry will be added to the overall patient Clinical Note Summary'. At the bottom right, there is an 'Autosaved' status bar showing 'Autosaved: a few seconds ago' and buttons for 'Save Draft' and 'Submit'.

Remember, you can add a *Clinical Note* to a patient's record through the **Add ▾** button in the Single Patient View or the **▾** in the *Action* column on the Ward Patient List:

Transferring Patients via PPM+ Mobile

Applies to: Pilot Users

Users are now able to Transfer Inpatients and Ward Stays to another LTHT ward by scanning wristbands and location barcodes via the PPM+ Mobile app:

Somalogic Improvements

Applies to: Pilot Users

Based on clinical feedback, we have improved the Somalogic forms. The Somalogic forms are:

- SRT - 1. Inclusion/Exclusion
- SRT - 3. Participant Consent
- SRT - 3. Patient Activation Measure
- SRT - 4. Follow up Survey
- SRT - 6. Withdrawal of Consent

SRT - 1. Inclusion/Exclusion

TEST, Beryl (Mrs)

Born 12-Dec-1970 (48y)

Gender Female

NHS No.

Address Leed General Infirma LS1 3EX

PAS No.

Remember, you can add clinical documents to a patient's record through the **Add ▾** button in the Single Patient View or the **▾** in the *Action* column on the Ward Patient List.

Hospital/ICR Tab

Applies to: All Users

We have renamed the *Hospital* tab to *Hospital/ICR* to better reflect the content and avoid misinterpretation. The Integrated Care Record (ICR) combines available primary and secondary care data:

The screenshot shows a patient record interface for 'TESTTEAM'. The top navigation bar includes 'Home', 'TESTTEAM', and a search bar. The patient's details are displayed: 'Current Location TEST EPR ZZZ', 'Born 17-Feb-1989 (30y)', 'Gender Female', and 'NHS No.'. Below this, a summary bar shows 'Address 11', 'Phone (Home) 0113 111111', 'GP', 'PAS No.', and 'Allergies: see GP tab or eMe...'. The 'Hospital/ICR' tab is highlighted in red. The main content area shows a 'Summary' section with a 'Filter Events...' search bar and a 'Show Booked and Delivered' dropdown. A table lists events for 2019, with one entry: '16-Jul-2019 Clinical Note Brain Attack Contact'. To the right, there is a 'Patient Clinical Alerts' section with a table showing 'Date', 'Name', and 'Description', and a 'High Priority Alerts' section.

AHP Assessment Attachment Upload

Applies to: GP Users

We have added an *AHP Assessment Document Type* when adding an attachment to patient's record:

The 'Add Attachment' dialog box is shown. It has a title bar with 'Add Attachment' and a close button. Below the title bar, there is a patient summary bar with 'Born', 'Gender Male', and 'NHS No.'. The main section is titled 'File Information'. It contains a 'File ?' section with a 'Choose file' button and the filename 'AHP Assessment.pdf'. Next to it is a 'Document Type' dropdown menu with 'AHP Assessment' selected. Below this is a 'Caption ?' section with a text input field containing 'AHP Assessment'. Further down is an 'Event Date ?' section with a date picker showing '16-Jul-2019'. At the bottom is an 'Upload Date' section with a text input field containing '16-Jul-2019'. The dialog box has 'Cancel' and 'Save' buttons at the bottom right.

Custom Patient List Comments

Applies to: All Users

We have renamed the *List Details* column in a Custom Patient List to *Comments*:

Test ZZZ ⓘ							Select Columns

Adult Social Care Tab Improvements

Applies to: All Users

We have improved the *Adult Social Care* tab which includes Emergency Duty Team (EDT) information:

Current Location TEST EPR ZZZ Born 23-Oct Gender Female NHS No. 				
Address 1	Phone	GP GP (Dr)	PAS No.	 Allergies: see GP tab or eMe...
Hospital/ICR	General Practice	Community	Adult Social Care	Results

[Show FAQ](#)

There is currently an open referral to Leeds City Council for this patient.
Below is a summary of the data held in the Adult Social Care systems for this patient. A glossary of the terms is available (see FAQs)
Please consider discussing with this patient or if you require more information please contact the Leeds City Council Duty Team on 0113 (Mon - Fri)
The Emergency Duty Team (EDT) work outside of office hours and deal with adult safeguarding and mental health assessments and prioritise urgent referrals.
The EDT support people in an emergency who may be at risk of abuse, neglect or domestic violence or experiencing exploitation, and will offer support around carer breakdown. EDT will not provide general information about people who are in receipt of social care services.
EDT contact - 077

Safe Surgery Checklist Improvements

Applies to: Pilot Users

Based on clinical feedback from the pilot, we have improved the *Safe Surgery Checklist*.

The screenshot shows a web application window titled "Safe Surgery Checklist". At the top, there is a patient information header with fields for Name (TEST), Born (12-Dec-1970 (48y)), Gender (Female), NHS number, Address (Leed General Infirma, LS1 3EX), and PAS number. Below this, the main form area is titled "Safe Surgery Checklist". It contains a section for "Which section of the form do you require?" with buttons for "Sign In", "Time Out", and "Sign Out". To the right of this are two dropdown menus: "Theatre number" (set to "Theatre 1") and "Theatre suite" (set to "Bexley wing"). Below these is a blue header for "Sign In - Before Induction of Anaesthesia". The main body of the form contains several questions with radio button options: "Has the patient confirmed his / her identity, operation site, procedure and consent?" (No/Yes), "Is the surgical site marked and does this match the consent?" (Yes/Not Applicable), "Is a Stop Before You Block required?" (No/Yes), "Does the patient have a known allergy?" (No/Yes), "Difficult airway / aspiration risk?", and "Risk of >500ml blood loss (7 ml/kg in children)". At the bottom, there are "Discard" and "Submit" buttons.

Remember, you can add clinical documents to a patient's record through the **Add** button in the Single Patient View or the **▼** in the *Action* column on the Ward Patient List.

Launching PPM+ eForms from PPM1

Applies to: PPM1 Users

Relevant users can now launch and complete a PPM+ eForm via PPM1:

Occupational Therapy (OT) Assessment Improvements

Applies to: Pilot Users

Based on clinical feedback we have improved the *Occupational Therapy (OT) Assessment*:

The screenshot shows the 'Occupational Therapy (OT) Assessment' form for a patient named Beryl TEST. The form is divided into two main sections: 'Consent' and 'Communication'. At the top, there is a header bar with the patient's name, date of birth (12-Dec-1970, 48y), gender (Female), NHS number, address (Leed General Infirma, LS1 3EX), and PAS number. The 'Consent' section contains two rows of consent questions. The first row is 'Consent given to Occupational Therapy Intervention' with buttons for 'Yes', 'No', and 'Best interest'. The second row is 'Permission to refer to other agencies' with the same buttons. To the right of each row is a 'Further information' text area. The 'Communication' section contains four rows of questions: 'Usual - Hearing', 'Initial contact - Hearing', 'Usual - Sight', and 'Initial contact - Sight'. Each row has a 'More details' text area. At the bottom of the form are 'Discard' and 'Submit' buttons.
