

# The Child and Family Assessment Tasks live in PPM+ from 18th April 2023

A **Child and Family Assessment Task** will be generated on admission, after **seven days** and on **ward transfer**. You can view the task in the **Tasks Column** on your **Ward View**.

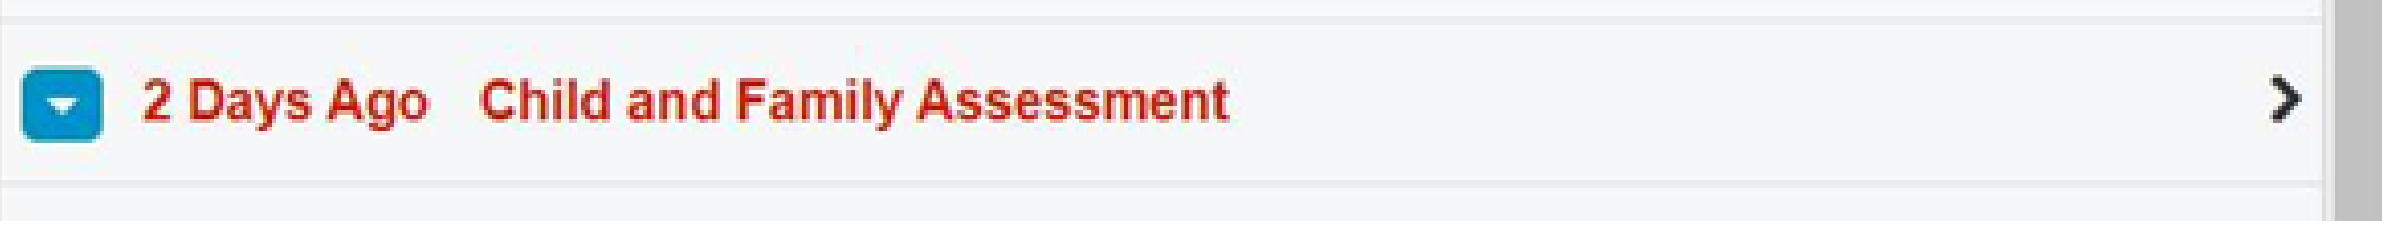

On go-live of the Tasks, please complete a Child and Family Assessment to ensure on-going Tasks generate correctly.

To complete the task click on the **Task column** cell for your patient in the **ward view**.
