Fascia Iliaca Compartment Block Checklist

USER GUIDE

How to add the Fascia Iliaca Compartment Block Checklist

1 The eForm is called **Fascia Iliaca Compartment Block Checklist**. To find out how to add an eForm/Clinical Document via the Desktop version of PPM+, please follow the Clinical Document guide by **Clicking Here**.

2 You can complete this eForm using the PPM+ Mobile App too. To find out how to add an eForm/Clinical Document via the PPM Mobile App, please follow the PPM+ Mobile App guide by **Clicking Here**.

Completing the eForm

1 If you select **"No"** for **"Are any of these Contraindications present?"**, the **"Indications for Facilia Illiaca Compartment Block"** will appear.

Contraindications to Block

If any of the these are present, the patient should not receive a block in the ED:

- Open fracture
- Known allergy to local anaesthetic agents
- Patient refusal/inability to give consent
- Poor patient compliance
- Infected injection site
- Patient on anticoagulation (excluding antiplatelets); unless being performed under ultra sound guidance

Are any of these contraindications present? *

[No] [Yes]

2 If you select **"Yes"** to **"Is the patient giving a high pain score despite IV analgesia?",** and also select **"No"** to the question **"Will the Block Insertion cause untimely delay in ward transfer?"** You may continue with the checklist.

Indications for Fascia Iliaca Compartment Block

Is there a radiologically confirmed Neck of Femur (NoF) fracture? *

[No] [Yes]

What leg is the fracture on? *

[Left] [Right]

Is the patient giving a high pain score despite IV analgesia? *

[No] [Yes]

Will the block insertion cause untimely delay in ward transfer? *

[No] [Yes]

All indications confirmed, please continue with the checklist
3 Complete the **"Procedural Check List".** If you select **"No"** to any of the checklist questions, a box will appear to **further explain** why you selected **"No"** and you will be asked to **"provide details of alternative step/plan used".**

4 Enter the details for the **"Person Performing The Procedure"**, adding any notes and complications as required. **Sign** your name within the **"Signature"** box, this can be utilised on both **PPM+** desktop and the **PPM+ Mobile** app.

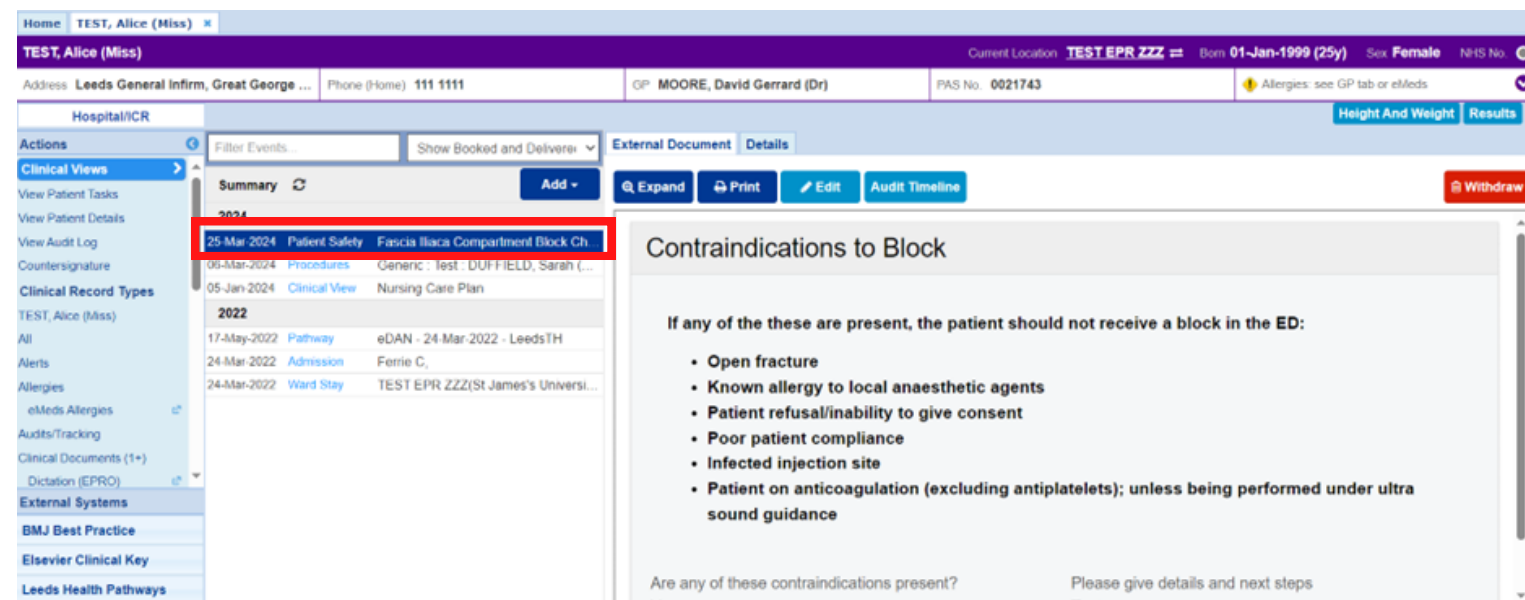

5 Once you have completed the eForm, click on **"Submit".**

How to View, Edit and Withdraw the completed eForm

1 You can view the completed eForm within the patient's **Single Patient View.**

2 If you need to make any changes to the eForm after submission, click on the **"Edit"** button. Remember to **submit the form again to save any changes.**

3 The form can also be withdrawn by clicking the **"Withdraw"** button. A pop up window will open for you to **"enter a reason why this document is being withdrawn".**
