Actions

The actions list allows you to do the following:

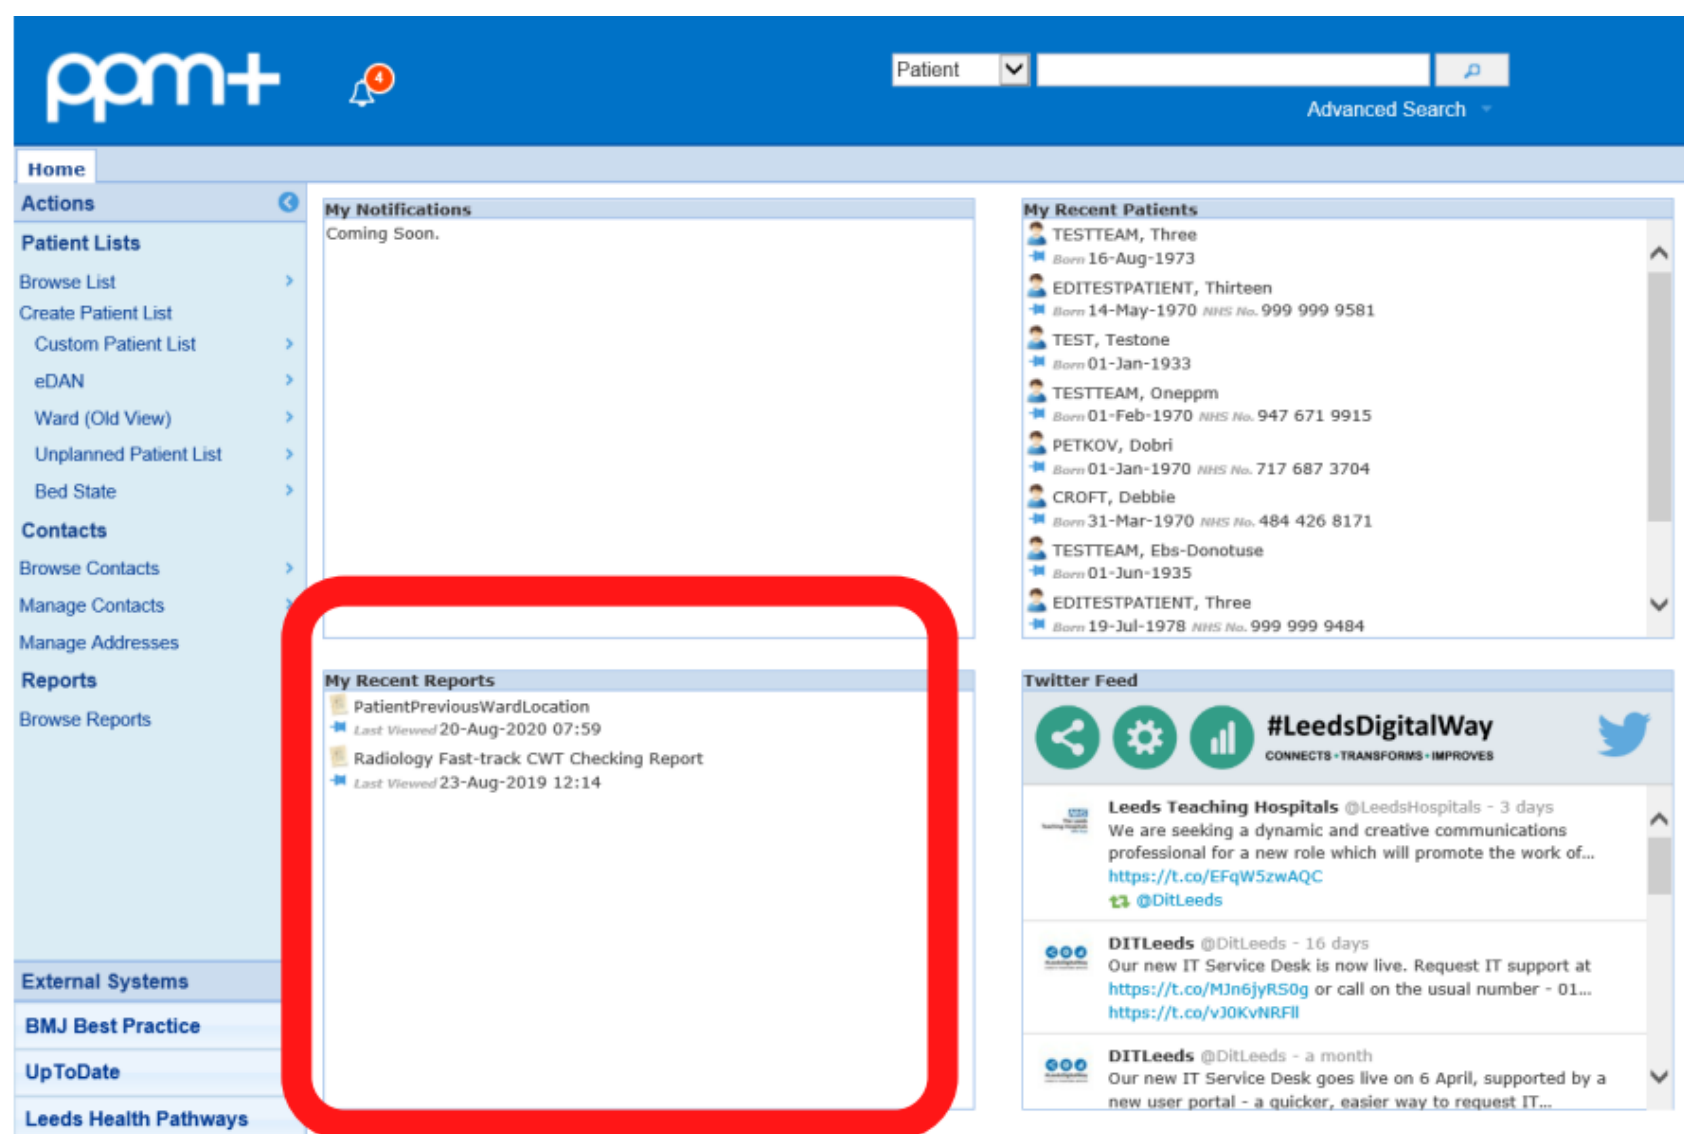

- **Browse list** - allows you to access any lists you have access to or have created such as custom patient lists, referrals lists and more.
- **Custom patient list** - enables you to create your own custom patient list.
- **Unplanned Patient List** - The unplanned patient list is used to track patients referred to hospital via several entry points e.g A&E, PCAL. The list allows patients to be added to inform Patient Flow Coordinators of new referrals/TCI's.
- **Browse Contacts** - search for a colleague to discover details about their contact details or memberships.

For further information please contact:

✉ leedsth-tr.ImplementationTeam@nhs.net or ☎ 0113 206 0599

2
