

Acute Haemodialysis Prescription is Now Available In ppm+

The **Acute Haemodialysis Prescription eForm** can be completed via the **PPM+ Mobile App** and the Desktop version of **PPM+**.

The eform can be accessed via **eForms** in the **PPM+ Mobile App** or **Add Clinical Document** on the desktop version of **PPM+**.

Enter **Acute Haemodialysis Prescription** in the **search field** and select **Acute Haemodialysis Prescription**. You can also mark this as **'favourites'** by clicking on the **star**.

A screenshot of the Acute Haemodialysis Prescription eForm. The form is titled 'Dialysis' and contains several sections: 'Diagnosis / current issues' with a text input field; 'Indication for HDUF' with a dropdown menu; 'Does the patient require source isolation?' with 'No' and 'Yes' radio buttons; 'Notes' with a text area; 'Date session required' with a date input field; 'Dialysis requirements' with radio buttons for 'Haemodialysis (HF/HC)', 'Haemodiafiltration (HDF) pre-dilution (instead of oncospam)', 'Haemodiafiltration (HDF) post-dilution (standard)', and 'Isolated UF'; 'Hours' with a text area; 'Access' with radio buttons for 'Fistula', 'Tunnelled line', 'Femoral line', and 'Jugular line'; and 'Dialyser (according to BHELY)' with radio buttons for 'FX50 (first version)' and 'Other dialyser (see BHELY prescriber)'. A green 'Submit' button is at the bottom right.

Complete the **eForm**. The **eForm** is the same as the **previous paper version**. Once you have completed the eForm, click on **Submit**.

A screenshot of the Patient's Single Patient View in PPM+. It shows a 'Summary' view with a list of documents. The first document, '4-Sep-2023 Prescription Acute Haemodialysis Prescription...', is highlighted with a red box. Below it are other documents with dates and titles, such as '29-Aug-2023 Summary Clinical Notes', '30-Jul-2023 Prescription Outpatient Clinic Prescription: CA...', '19-Jul-2023 Pathway Criteria Led Discharge Assessment', '07-Jul-2023 Summary Observations', '27-Jun-2023 Summary Blood Gas Results', and '26-Jun-2023 Rheumatolog... SpA - Clinician Review, - (Intern - ...'. A 'Filter Events...' search box and a 'Show Booked and Delivered' dropdown are at the top.

The completed **eForm** can be viewed in the Patient's **Single Patient View**. You can **View, Edit and Withdraw** the **eForm** when you click on the **eForm** title in the **Summary View**.
