

The Adult Acute Pain Team Are Now Live with the New Specialist Referrals Pathway in ppm+

From 17th August 2026, the Specialist Referrals Pathway to the Adult Acute Pain Team will be changing, and Specialist Referrals can no longer be submitted using the current Specialist Referrals Pathway. Please refer to the new Specialist Referrals User Guide for details of the new Specialist Referrals Pathway.

Please continue to bleep the team if your request is urgent (SJUH 80-5544, LGI/CAH 80-5537) or contact the out of hours Anaesthetist if your request is outside of the Adult Acute Pain Teams service hours (Monday-Friday 08:00-16:00).

The new **Specialist Referrals Pathway** can be accessed via **eForms** in the **PPM+ Mobile app** or by using the **Add Clinical Document** function on the **desktop version of PPM+** as shown here.

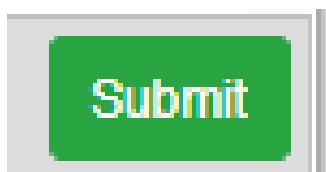

Enter **Referral** in the search field and select the eForm. You can also save this to your favourites by clicking on the **star icon**.

The screenshot shows the 'Add Document' search window. The search term 'Referral' is entered in the top field. Below, a list of results is shown, including 'Specialist Referral' and 'Referral'. The 'Referral' result is highlighted with a red box, and a star icon next to it is also highlighted with a red box, indicating it can be added to favourites.

Click within the **Select Referral Type** field and then click on **Specialist Referrals**. Next, click on the **Adult Acute Pain Team** for the site required for your patient. Finally, click on **Launch Form**.

The screenshot shows the 'Referral Type' selection screen. The 'Select a referral type' dropdown is highlighted with a red box. Below it, the 'Specialist referrals' section is expanded, and the 'Specialist Referral - Adult Acute Pain Team (PAIN) (Adult Acute Pain Team (LGI/CAH))' option is highlighted with a red box.

Once you have completed the **Referral** accordingly, click on **Submit**.
