

Diagnosis is Now Live in ppm+

The ability to record Diagnoses in one central area in a Patient's Single Patient View is now available in PPM+. Please scan the below QR codes to learn more about this functionality.

Problems and Diagnosis			Quick add +	Add new Diagnosis +
Filter	Sort By	Search		
All	Most Recent	keywords		
...	Closed fracture of ankle	23-Jul-2024 Active - Provisional		
...	Asthma	09-Jul-2024 Active - Provisional		
...	Ankylosing-spondylitis	13-Jun-2024 Entered-In-Error
