

Infection Service Note in ppm+

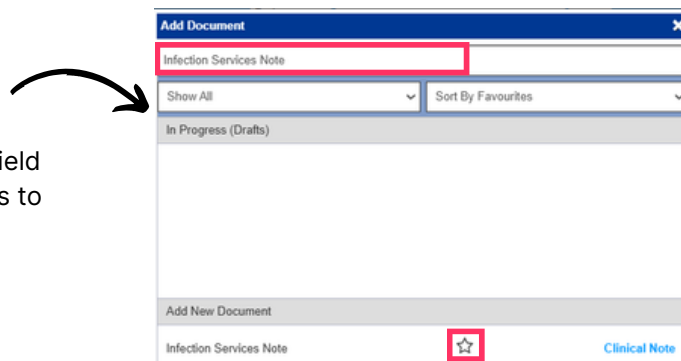

The **Microbiology Infection Advice Note** has been renamed to **Infection Service Note**.

The new **Infection Service Note** can be completed via the **PPM+ mobile app** and the **desktop version** of PPM+.

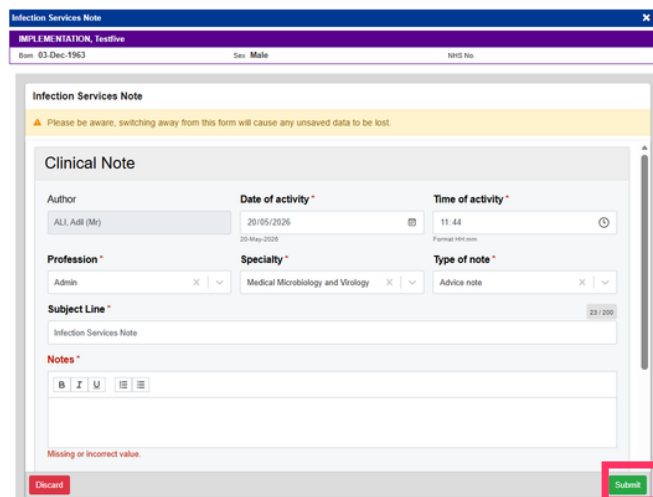

The **eForm** can be also be accessed via **eForms** in the **PPM+ Mobile app** or by using the **Add Clinical Document** function on the **desktop version** of PPM+.

Enter **Infection Service Note** in the search field and select the **eForm**. You can also save this to your favourites by clicking on the **star icon**.

Once you have completed the **Infection Services Note**, click on **Submit**.

Once the **Infection Service Note eForm** has been completed this will show on the **Clinical Note Dashboard**.

Scan the QR Code for the Infection Service Note User Guide.
