

Enhanced Split View now available in ppm+

You can now **complete the eforms** present in the **Ward Round Dashboard** using the **Split View Screen**.

The screenshot shows the 'RAPIDCOMM, Alcoholtwo (Mr)' patient record. The left pane displays the 'Ward Round' dashboard with sections for Admissions, Clinical Notes, Diagnoses Relevant to current episode of care, and Problems & Diagnoses. The right pane shows the 'Clinical Note' form with fields for Author, Date of activity, Time of activity, and Profession. A warning message at the top of the right pane states: 'Please be aware, switching away from this form will cause any unsaved data to be lost.'

You can **work on multiple eforms simultaneously** and use the **arrows** to **move from one form to the other**. The **data will be automatically saved** when you **navigate in between the forms**.

The screenshot shows the 'Add a condition' form on the left with 'Asthma' entered. The right pane shows the 'Problems and Diagnoses' form with 'Asthma' entered in the 'Diagnosis / Condition' field. The 'Diagnosis Date' is set to 06/05/2025. The 'Diagnosis Stated By' field is set to 'Practitioner'. Navigation arrows at the bottom of the right pane are highlighted with a red box, showing '2 of 2' and a close button.

You can also **open different tabs** with the **forms in the split view** to **help with viewing further patient information**.

The screenshot shows the 'Lab Test Results' tab selected in the left pane. The 'Haematology' section is expanded, showing a table with columns: Date, Na, K, Urea, Creat, eGFR, AKI, Bil, ALT. The 'Biochemistry' section shows 'No data found'. The right pane shows the 'Problems and Diagnoses' form with 'Asthma' entered in the 'Diagnosis / Condition' field. The 'Diagnosis Date' is set to 06/05/2025. The 'Diagnosis Stated By' field is set to 'Practitioner'. Navigation arrows at the bottom of the right pane are highlighted with a red box, showing '2 of 2' and a close button.
