

Updates to Safe Surgery Checklist ppm+

The checklist now includes variations for different surgery types. Please select the relevant checklist.

The **Safe Surgery Checklist** eForm can be completed via the **PPM+ mobile app** and the **desktop version** of PPM+

The eform can be accessed via **eForms** in the **PPM+ mobile** app or by using the **Add Clinical Document** function on the **desktop version** of PPM+.

Enter **Safe Surgery Checklist** in the **Search Field** and select **Safe Surgery Checklist**. You can also save this to your **favourites** by clicking on the **star**.

A screenshot of the 'Add Document' search interface. It features a search bar with 'safe surgery checklist' entered. Below the search bar are dropdown menus for 'Show All' and 'Sort By Favourites'. At the bottom, there is a list of search results, with 'Safe Surgery Checklist' highlighted and a star icon next to it. A 'Patient Safety Checklist' is also visible.

The checklist now includes variations of different **surgery types**. Please select the **which checklist you require**.

A screenshot of the 'Safe Surgery Checklist' selection screen. It has a title 'Safe Surgery Checklist' and a section 'Which checklist do you require? *'. Below this is a list of options: 'Generic', 'Cardiac', 'Cataract', 'Generic' (highlighted in blue), 'Hip / Femoral Fracture', 'Liver Transplant', 'Obstetrics', 'Paediatric Cardiology', and 'Paediatric Surgery'.

The checklist also includes **Theatre Suites** to choose from.

A screenshot of the 'Theatre Suite' selection screen. It has a title 'Theatre Suite *' and a section 'Which section of the form do you require? *'. Below this are radio buttons for 'Sign In', 'Time Out', and 'Sign Out'. There is a 'Theatre *' dropdown menu. Below that is a section 'Theatre suite *' with a dropdown menu showing 'Select...' and a list of options: 'Acute pain theatres', 'Adult pre-assessment LGI', 'Adult pre-assessment SJUH', 'Adult pre-assessment WGH', and 'Anglo suite'.
